## WHO ARE WE?

WE-FLY is the business line under WELLY GROUP COMPANY LIMITED with the main aim of servicing our clients with the intention to cover the gap in the airline industry?

The company operates in airline ticketing for both local and international flights but with a great urge to own airline permits and airplanes for Africa and later around the world.

## MISSION

To be the world's most customer centric company, which provides fast and reliable transport solutions for passenger and cargo with highest safety standards. We want to provide expert guidance to our customers while giving our customers access to our expertise and industry connections.

## VISION

To satisfy our customer with extraordinary services by saving their time and money while having access to deals and discounts providing the best value for their trip and also providing our expertise guidance.
